

Summer 2014

Hey you!

My name is Michelle, I'm going into my sophomore year at Juilliard as a Dancer, and I'm going to be your Orientation Leader! First of all, congratulations on getting into Juilliard! Welcome to the Juilliard family and I hope you're excited to incorporate yourself into this wonderful community of artists!

I know it's a really big change to move away from home, go to college, and get used to living in a big city. As your Orientation Leader, I'm going to make your transition into Juilliard a little easier, less stressful, and more fun! Orientation week is full of wonderful events that get you acquainted with Manhattan, along with informational meetings and tours of the school.

I hope you have a relaxing and warm summer before you start this next chapter of your life. If you have any questions at all about school, the city, your major, or just want to chat, please feel free to contact me any time by phone, Juilliard email, or Facebook.

Again, I hope you have a marvelous summer, congratulations, and I'm excited to meet you this fall!

Sincerely,  
[Michelle Lim](#)
